Why did you exit the chapel when you heard the circular of expulsion of Mrs. Cristina V. Manalo, the widow of Bro. Eraño G. Manalo?

Marla: I could not help my emotion, I loved in the compound of the Iglesia ni Cristo for a long time, almost 18 years, close to the home of mommy Tenny. I have grown to love them with all my heart.

Minister: Do you not know that you're not supposed to love anyone who is an enemy of the administration?

What I know is that even enemies shall be loved because it is the Lord Jesus Christ himself who said this in the Bible: Love your enemies.

So if Marla and Neftali is expelled, it is not because of rebellion against the administration of Bro. EVM, but because of following the commandment of Christ to love your enemies.
